PLDC Features in Submarine Networks World 2018

Oct 2, 2018 – Hong Kong

Pacific Light Data Communication Co., Ltd. (PLDC), joint owner of the Pacific Light Cable Network (PLCN) is pleased to attend Submarine Networks World 2018 in Singapore from 24th to 26th Sep 2018.

PLDC Team introducing PLCN Project to Attendants and Partners

The event attracted over 600 subsea cable industry's experts to join. PLDC has taken the opportunity to update and introduce the latest PLCN project schedule and project details to our partners as well as other participants. Most of them have shown their interest and enthusiasm towards the PLCN project.

This is PLDC's third consecutive time featuring in Submarine Networks World. PLCN will continue to take part in various carriers and subsea network events to maintain good relationship with our partners.
